

2022 SADA CHARITY PREVIEW PROTOCOLS AND INFORMATION

Anyone attending the SADA Charity Preview must wear a mask at all times while in the building unless actively eating or drinking. Also, they must either:

- Provide proof of full vaccination
or
- Provide proof of a negative test

The negative test must follow the approved guidelines of:

- A PCR Test within 72 hours of the Charity Preview (After 6:30pm on February 6th)
Or
- A Rapid Test within 6 hours of the start of the Charity Preview (After 12:30pm on February 9th)

Home tests will not be accepted.

Verification of the above protocols will be done in the State Street Lobby, prior to coat check (See diagram on following page). Anyone not meeting the above protocols will be directed to leave the Oncenter. Once verified, we will wristband the guest to verify they have been checked. This will allow entry to other buildings.

CHARITY PREVIEW HOURS TIMELINE:

- COVID Check/Coat Check – Opens at 5:30pm
- Doors to Charity Preview – Opens at 6:30pm

PRE-SCREENING FOR CHARITY PREVIEW

On Tuesday and Wednesday, any attendee of the Charity Preview can pre-register their vaccination/test at the Registration Booth in Gallagher Hall. Hours for pre-registration will be:

- Tuesday: 11am – 7pm
- Wednesday: 11am – 2pm

The appropriate wristband will be issued at that time to the guest who will need to wear it back to the preview. Anyone who pre-registers **MUST** still bring their ticket to the Preview on Wednesday night. No one will be admitted to the preview without a valid ticket. We will have a Lane Dedicated to those who pre-registered.
